CONFIDENTIALITY AGREEMENT FOR VOLUNTEERS

Your service as a classroom volunteer is deeply appreciated. Volunteers augment educational opportunities for children, and help teachers provide individually appropriate attention. Children learn at different rates, and it is expected that there will be a range in each classroom. As a volunteer, you will come to know the strengths and needs of the children you assist. Moreover, since children are disclosing with trusted adults, you may learn about their families and other aspects of their lives. In order to maintain the privacy of children and families classroom volunteers must abide by confidentiality. Before beginning services as a volunteer, it is requested that you acknowledge your intent to fulfill this responsibility by endorsing the statement below.

Please be assured that we value your contribution, and hope that you will derive a measure of personal satisfaction from your experience at Hildreth Elementary School.

As a volunteer at Hildreth Elementary School, I will abide by confidentiality, and never discuss my observations and knowledge of the children with others.

If I have questions or concerns about a child, I will immediately inform the child's classroom teacher.
