

Local Purchasing

It is the School Committee's intention to purchase locally (i.e., from businesses based in Harvard and surrounding communities) whenever goods and services of equal quality at competitive prices are available.

Goods and services will not be purchased locally if they can be secured elsewhere at a savings to the public schools or if a non-local source can provide a better quality of product or service or more efficient delivery.

ADOPTED: December 5, 1988

AMENDED: September 11, 2006

CROSS REF.: FFBA, School Committee Member Conflict of Interest
