

PROCEDURES DISSEMINATION

It will be the responsibility of the Superintendent to see that the procedures developed to implement School Committee policies and administer the school district are appropriately coded and included as procedures in the School Committee's policy manual.

A procedure concerning a particular group or groups in the schools will be distributed to the group(s) prior to the effective date of the procedure.

ADOPTED: June 11, 2007

REVIEWED: May 28, 2013

AMENDED: September 24, 2018
