

STUDENT PROGRESS REPORTS TO PARENTS/GUARDIANS

The School Committee recognizes the school's obligation to give reports of a student's progress and grades. The School Committee further recognizes that these reports are a vital form of communication between the schools and parents. The School Committee also believes that all progress reports must be based upon full information, accurately and honestly reported with the proper maintenance of confidentiality.

A report depicting the student's progress will be issued periodically following an evaluation by the appropriate teacher, teachers, or other professional personnel.

In addition to the periodic reports, parents will be notified when a student's performance requires special notification.

Grading and promotion will be based on improvement, achievement, capability of the student, and the professional judgment of the teacher and Principal.
