

STUDENT GIFTS AND SOLICITATIONS

Because of the embarrassment that might result among children, students will be discouraged from giving excessive gifts to classroom teachers and other school personnel. For the same reason, gift giving between students in an excessive value shall be discouraged. Any gift giving including group gifts should be voluntary, and families should feel no pressure to participate.

Solicitation of funds for charitable purposes from students of the school system will be made only as approved by the Superintendent.

Any organization desiring to distribute flyers or other materials to students in connection with fund drives may do so only with the approval of the Superintendent or designee.
