Harvard Public Schools
39 Massachusetts Avenue, Harvard, Massachusetts 01451

School Committee Meeting
Monday, June 13, 2016
6:00 p.m.
Upper Town Hall

I. Call to Order (6:00)
II. Read the Vision Statement (6:00)
III. Open to Interested Citizens’ Commentary (6:03)
IV. School Improvement Plans End of Year Updates (6:08)
V. School Committee/Superintendent Goals Status Update (6:50)
VI. Superintendent’s report (7:05)
VII. Approval of Gifts to the District (7:20)
VIII. Science Lab Update and Ventilation Project Update (7:25)
IX. Parking Lot Project Update (7:50)
X. Custodial Services Contract Review (8:00)
XI. Approval of the Maintenance/Community Access Position (8:10)
XII. Update on School Business Manager Position (8:15)
XIII. Review meeting minutes (8:20)
XIV. Report Out from Liaisons (8:25)
XV. Suggest Future Agenda Items (8:35)
XVI. Open to Interested Citizens’ and School Committee Commentary (8:40)
XVII. Adjournment (8:45)

Documents: superintendent report, School Improvement Plans, Goals Update, Durkin brochure, meeting minutes, science lab update

Vision Statement: The Harvard Public Schools community, a leader in educational excellence, guides each student to realize his or her highest potential by balancing academic achievement with personal well-being in the pursuit of individual dreams. The students engage in learning how to access and apply knowledge, think critically and creatively, and communicate effectively. They continue to develop the confidence and ability to collaborate, contribute, and adapt in an ever-changing world.
# Joint School Committee/Superintendent Goals

## School Year 2015 – 16

As of May 2016

## Goal 1

</table>
I. **Hildreth Elementary building project update**

Here is a list of the actions completed in the past three weeks:

- Sue and I traveled to Boston and attended an information session on the feasibility stage of the MSBA process.
- Both the Visioning Committee (1X) and the Building Committee (2Xs) met to learn more about hiring the Owners Project Manager (OPM). I prepared a PowerPoint (see attached) to share the information and the committees ranked the selection criteria. The building committee choose members to serve on an interview sub-committee, planned interview process dates, and developed interview questions.
- I met with Ken Swanton to review paperwork required by MSBA. I also met with Marie Sobalvaro as she will take over as procurement officer when Lorraine retires.

II. **Grant Awarded**

We were fortunate to receive $5,000 from the MIIA Loss Control for 5 additional security cameras. Lorraine, Mark and I submitted the grant in December. The leadership team discussed the placement and decided to add the cameras to the elementary school in several of the hallways and entrances. The camera footage will connect to the separate server by a secure network, and administrators will follow the recently approved security camera use policy.

III. **Associate Principal Search Committee Update**

Scott led the search process, and he and his committee narrowed the candidate pool down to two. Just before the candidates visited, one of them removed themselves from the search in order to take an offer from another district. The remaining candidate, Robin Benoit, visited Bromfield and the central office on Wednesday, June 8th. She met with the department chairs, faculty, staff, the leadership team and community members. Scott gathered feedback from these groups before deciding to offer the position to Robin. She is set up to meet with me on Monday to
agree upon a contract with our district. We are excited to welcome her to our team.
(resume attached)

IV. Water Testing for Lead

The DPW Director, Rich Nota, conducted water testing of the water at Bromfield and
Hildreth Elementary after seeing the news reports of issues in other districts. His
proactive efforts put us ahead of questions generated by some of our Harvard
families. The favorable results that he sent us are attached.

V. School Business Manager/Town Finance Director Interviews

Nancy, Mary, Lorraine and I interviewed a retired candidate who seemed to have the
preferred qualifications, experience, and management style. I submitted a waiver
application to the state, and we await their approval.

VI. Special Events

The end of the year has been filled with special events from concerts, drama
productions and art shows to field trips, author teas, and awards nights. Each special
event becomes a fond memory for students and their families. We appreciate the extra
effort and work that comes with preparing for and holding these events. Thank you,
Teachers!
May 15, 2016

Mr. James O'Shea
The Bromfield School
Massachusetts Avenue
Harvard, MA 01451

To Mr. James O'Shea:

The Bromfield Friends of Drama, a newly forming organization, whose mission is to support the Bromfield Theatre Arts Program, is pleased to submit its first donation to the Bromfield Theatre Arts Program (Middle School AND High School).

Please accept the donation of $1,000.00, to be used at the discretion of the Middle and High School Directors, for the purpose of supporting/enhancing the Program for the benefit of students of the Bromfield School. Thank you for the opportunity to sustain and build upon this valuable Program.

Sincerely,

Kirsten Wright
Representing Bromfield Friends of Drama

Review Comments

Page 1 of 1
Robin Benoit  
15 Porter Rd  
Littleton, MA 01460  

Dear Mr. Hoffman,  

I am writing to express my interest in the Associate Principal position at the Bromfield School. As the Interim K-12 STEM Coordinator for the Nashoba Regional School District, I have demonstrated that I possess both the ability to engage in the big picture thinking needed to be a successful and effective school leader, as well as the organizational and collaborative skills necessary to carry out large scale initiatives. As a seasoned educator who has consistently looked for opportunities to improve my own craft, and engage in thoughtful reflection, collaboration and leadership, I am excited by the opportunity presented by your school.  

Throughout my career, I have shown a strong commitment to making schools a place of reflective practice, intellectual engagement and community. As a Math, Science and Technology teacher during the formative years of the Francis W. Parker Charter Essential School, I experienced very early in my career the complexity of creating a school from the ground up. While at Parker I worked to create a 7-12 school grounded in interdisciplinary study, standards based assessment and reporting, and promotion through portfolio review and exhibition. Through teaching and developing curriculum in a multi-age middle school classroom, I learned the importance of student ownership in the learning process, building true partnerships with parents and the exhilaration of creating real change. While working in the Concord Public Schools I built upon these experiences, again taking on leadership roles within the school community and working to promote both high standards for all students and greater communication and coordination. During this time, my work as a Mentor Teacher and House Leader allowed me to work directly with my colleagues around the introduction of interactive whiteboards, curriculum development, best teaching practices and the meeting of student needs. Additionally, my role as Science Chair for the district wide Curriculum and Instruction Coordination Committee allowed me to work in a cross disciplinary manner K-12 as well as work with both teachers and administrators throughout the district to promote a thoughtful progression of curriculum review and implementation.  

My transition to the Nashoba Regional District has been a very natural fit. I have been able to build upon my formative experiences and embrace district initiatives around Standards Based Reporting & Report Card Development, the infusion of Developmental Designs practices and Advisory into our middle schools as well as the purposeful integration of technology to promote student learning. All of these experiences have allowed me the opportunity for thoughtful work around best practices for instruction, communicating progress, and meeting not only the academic but social and emotional needs of students. My administrative internships have allowed me the opportunity to engage more deeply within classrooms K-12, give feedback and reflect with teachers upon the continuity of practices across a broad grade span. I have also been involved in data collection through district tools such as AIMS Web and Baseline Edge to analyze student growth and gained valuable experience with both the budgeting and scheduling processes.  

Additionally, I have demonstrated my leadership abilities on a district level as co-chair of the district Comprehensive Reporting Committee, co-facilitator of the Middle School Standards-Based Report Card development, organizing and leading district-wide book discussion groups around the promotion of Developmental Designs practices, and the effective use of Advisory in our middle schools and most recently taking on the role of Interim K-12 STEM coordinator for the district for the 2015-2016 school year. This role has included the ongoing collaboration with all district administrators, management of a full year
K-5 Math program pilot, the curriculum development and roll out plan K-12 in response to the 2016 MA Science and Technology/Engineering Frameworks, and the planning of district professional development K-12.

I feel that my rich background, strong technology skills and demonstrated leadership ability, combined with a career dedicated to collaboration, curriculum development and practices which focus on the whole child make me both a viable and desirable candidate for the demands of this position. I look forward to the opportunity to speak with you and can be reached at (978) 505-0490 or by email at robin.g.benoit@gmail.com to further discuss my experience and what I can bring to your school community. Thank you for your time and consideration of my candidacy.

Regards,
Robin Benoit

School Committee Minutes
Hapgood Room, Old Library
Monday, May 23, 2016
6:00 p.m.

Members attending: SusanMary Redinger, Jennifer Bedford, Mary Traphagen, Nancy Lancellotti (6:05), Jon Green, Maureen Babcock, Linda Dwight and Lorraine Leonard.

SusanMary Redinger called the meeting to order at 6:00 p.m.

Kenneth Lin read the vision statement.

Public Commentary - None

Student Report
Kenneth Lin reported that graduation is scheduled for June 10th. Senior finals start on Wednesday. This is Kenneth’s last meeting and he said it has been a great honor for him to represent the Bromfield School student body. SusanMary Redinger expressed what a pleasure it has been having Kenneth as the student liaison and that his contributions are valued here and also on the Student Advisory.

Technology Presentation on Survey Results and Fall Implementation
Susan Frederick presented the results of the 5th Grade iPad Survey which included responses from students, parents, and teachers. The overall results of the survey were positive. The Committee suggested sharing projects with parents to allow students to show their work. Everyone agreed that the iPad is an exciting tool that offers an opportunity to change learning.

Kellie Carlucci presented the results of the 6th Grade iPad Survey which included responses from students, parents and teachers. The results showed that the greatest benefit of using the iPads is research, organization and communication. The greatest challenge is monitoring activity, student engagement, social interaction and wireless access. SusanMary Redinger thanked Kellie Carlucci for taking on the integration of the iPad in her classroom with enthusiasm.

Rob Cullinane, 5th grade teacher presented on the 5th grade Sphero Balls. Mr. Cullinane and Mr. Myler attended a conference “Project Lead the Way” (PLTW) at WPI in Worcester early this year. The PLTW project provides a comprehensive approach to STEM education. PLTW has built their standards up to the current standards and the upcoming standard. Each lesson includes a robotics component which transforms the classroom into a collaboration space where content comes to life. Through a grant from the Harvard Schools Trust, Mr. Cullinane was able to purchase Sphero Balls for students in fifth grade. Several of Mr. Cullinane’s fifth grade students attended the meeting and demonstrated how the Sphero balls worked.

Chris Boyle presented on the roll out of the Macbooks in the eighth grade for next year. Chris has been doing a lot of work behind the scenes to ensure a smooth transition. Staff (a total of 60) will be getting their Macbook Airs in the next few days. The early release on June 1st will be used to educate teachers on how to use their computers. The eighth grade team will spend several days this summer expanding on what they have learned from the training. A number of staff members are willing to teach other staff members what they know.
Approval of 6th Grade Class Trip

The sixth grade trip to Canobie Lake Park in Salem, NH is a great way to celebrate a successful first year at The Bromfield School. This is a culminating activity that strengthens the bond made throughout the year and rewards the students for their hard work. The trip is scheduled for Wednesday, June 15th with a rain date of Friday, June 17th.

Jon Green made the motion and Mary Traphagen seconded to approve the trip to Canobie Lake Park as presented.
VOTE 5/0

The Committee received a request to approve an anonymous gift of $4,000 to help fund the high school drama program.

Nancy Lancellotti will thank the anonymous donor in the School Committee's new letter.

Mary Traphagen made the motion and Nancy Lancellotti seconded to approve the anonymous $4,000 gift to the Bromfield Drama program as presented.
VOTE 5/0

Superintendent Report

Dr. Dwight reported the following:

Hildreth Elementary building project update

Dr. Dwight contacted Elena to arrange for someone from MSBA to come here for further training on the upcoming process. Both members of the Visioning Committee and the Building Committee would be welcome to attend. She has vetted the idea with members of the organization, and we await further information.

Heard from Elena that we met the deadlines and our project will be voted into Phase I on May 25th. Sue and Linda plan to attend as there will be an information session about Phase I afterwards. Rob Jones from Holy Cross College worked with teachers on the recent early release day. He used a workshop style to collaborate with teachers and staff on difficult topics of hidden biases, micro-aggressions, and inclusive practices.

The Associate Principal Search Committee has been formed and their first meeting is May 25th. There were over 70 applications submitted for the opening. The search committee members are evaluating the 25 applications pre-selected by Scott Hoffman for consideration. The committee members will submit their top choices to Mr. Hoffman and he will set up interviews for the first week of June.

Dr. Dwight asked the committee to consider an additional leadership position at The Bromfield School. The areas for focus include the round table/advisory program, attendance issues, and managing the many state mandates. To focus on these growth opportunities Dr. Dwight is proposing a pilot year-long position of a .6 Dean of Students. This additional leader would help our district to move forward on important initiatives while ensuring that day to day operations have consistent coverage. The leadership team supports this request and offered the position previously when visioning for future improvements.

Mary Traphagen made the motion and Jennifer Bedford seconded to move that we approve a one 1 year pilot .6 FTE Dean at The Bromfield School contingent upon a reduction in staffing.
VOTE 5/0
The committee reviewed the job description for the Dean of Students at The Bromfield School. Jennifer Bedford made a motion and Mary Traphagen seconded to approve the job description for the Dean of Students for Middle School and High School as amended.

VOTE 5/0

The leadership team requested a Health and Wellness Department Leader for coming year. This past year, Tom Reynolds became the Unified Arts Department Chair for K-12. This department included health/physical education, art, digital art, library media and music at both schools. The range of teachers and curriculum under this large umbrella proved difficult. With Tom’s retirement, the leadership team revised the positions in this way: Unified Arts Department to include music and art, Technology Coordinator Position to work with library media and computer, Health and Wellness Department to include health, physical education, and nurses.

Jennifer Bedford made a motion and Nancy Lancellotti seconded to approve a Health and Wellness department leader position for a stipend of $5,500 dollars for next year.

VOTE 5/0

Nancy Lancellotti, Lorraine Leonard and Dr. Dwight interviewed one candidate for the interim Business Manager position. We are checking references. Meanwhile, another retired school business manager expressed interest. He has been working full time in another district, so a critical needs waiver would be required for him to work with us starting on July 1st.

Bus Fee Discussion
At their previous meeting the Committee discussed the possibility of raising bus fees in order to fund the $33,000 budget shortfall budget created by the increase in the bus contract. Due to the savings in personnel for the 2016/2017 school year, the Committee agreed to use those savings to cover the deficit in the transportation line. The Committee agreed to look into consolidating stops to possibly reduce a bus, allowing families to purchase a one way pass and running a late bus that families could sign up for as possible ways to increase bus use. The Committee agreed there was no need to rush the decision and will look forward to a discussion in the future.

Senior Class Activity Review
The Committee reviewed a list of activities planned for students in the upcoming weeks. Susan/Mary Redinger reminded members that they will be invited to graduation and that it is important to RSVP as the seating for indoors is very limited.

Superintendent Portfolio Review
Dr. Dwight shared with the Committee her portfolio that School Committee members will use as evidence to support the completion of each goal. The binder can be signed out for a day. The standard practice is to invite back members whose term expired in the past year. Susan/Mary Redinger will invite Kirsten Wright to participate. The evaluations need to be completed by June 11th.

Report Out of Liaisons
Mary Traphagen attended the Student Advisory meeting and reported that students are enjoying the open campus. The students in that small group are not concerned about the security cameras. Students would like more communication and follow up regarding any concerns that come up at the
school. The Student Advisory would favor of a change in the student schedule format and feel that with the current schedule art and music are short changed.

The Athletic Advisory met and talked about forming a Booster Club that would centralize the BAC and combine with the HAA. Dr. Dwight is going to go to the HAA meeting tomorrow. It is important to have the kids involved and take on some responsibility for fundraising.

Jennifer Bedford reported that the HES School council met and discussed staffing for next year and changing the Global Child program to a language and cultural program and combining French and Spanish. Mrs. Quintas and Mrs. Hopkins are new members to School Council taking the place of Dawn-Marie Ayles and Pam Gordon.

Maureen Babcock reported that there were 60 responses to the Devens survey. Maureen will be compiling the data and will be reporting back to the Committee. Maureen Babcock agreed to keep the Committee up to date on families moving into Devens over the summer.

Jennifer Bedford reported that Bromfield School Council met and discussed new teacher hires, communication to parents about course selection, transition meeting for students going into the 9th grade. The Bromfield School Council is holding an election to vote in a replacement for Deb Barton. Lorraine Leonard reported on the FY16 budget to actual. Ms. Leonard incorporated the subsidy changes into the budget to better reflect the cost of the program. Most items are tracking as they should. There is currently a $47,000 surplus in the bottom line. The meeting on July 11th is set for budget close out and any reserve fund transfers need to be done by July 15th.

**Agenda Items**
- Policies
- Bus efficiency
- Kindergarten update
- HES School Improvement Plan
- Superintendent Evaluation
- Goals close-out
- Propose goals for next year
- Devens Survey
- Bromfield Parent Survey
- Alumni survey

**Interested Citizen** – None

SusanMary Redinger made the motion and Mary Traphagen seconded that the School Committee enter into executive session at 9:15 PM as allowed under Chapter 30A, Section 21 of the Massachusetts General Laws, for the purpose of discussing a strategy with respect to collective bargaining with the Teacher's union, and to conduct a strategy session in preparation for negotiations with nonunion personnel, specifically custodians. To reconvene into open session to vote on those items discussed in executive session and then adjourn.

VOTE to accept the motion (5/0): SusanMary Redinger (Aye), Jennifer Bedford (Aye) Jon Green (Aye), Nancy Lancellotti (Aye), Mary Traphagen (Aye).

The Committee returned from Executive session at 10:45 p.m.
Nancy Lancellotti made the motion and Mary Traphagen seconded to move that the Committee approve the Educator Evaluation document reviewed tonight with the edits provided by the Committee chairperson and subject to it fully complying with the Massachusetts regulations. VOTE 5/0

Mary Traphagen made the motion and Jennifer Bedford seconded that the Harvard Public School enter into a custodial contract with an outside vendor effective June 21, 2016. VOTE 5/0

Susan Redinger with no objection made the motion to adjourn at 10:55 p.m. VOTE 5/0
Dear Principal O'Shea,

I am writing to you in regards to the Middle/High School Band Director position at The Bromfield School, as posted on SchoolSpring.com. Please accept this letter as my formal application for the position.

My name is Craig Robbins and I recently graduated magna cum laude from Berklee College of Music, where I was awarded the 2016 Most Promising Future Music Educator Award and received my Bachelor’s degree in Music Education. While fulfilling my student teaching practicum during the fall of 2015, I instructed multiple music classes and performing ensembles, grades 6-12 at Cameron Middle School in Framingham, MA and Shrewsbury High School in Shrewsbury, MA. During my time spent at these two placements, I saw over 500 students per week, teaching and assisting in 15 different arts classes.

I have a true passion for arts education, specifically to instrumental music. While at Cameron Middle School, I worked with a diverse array of 210 music students, varying in academic talent, level of understanding, and appreciation of the arts. I led individual and group instrumental lessons, large ensemble rehearsals, and smaller mixed instrumentation classes ranging in size from 4-40 students in any given class. After school, I taught a 40-piece jazz band as well as assisted with the middle school pit orchestra for Cameron’s annual musical. At the high school level, I conducted an advanced wind ensemble of approximately 60 students and an honors jazz band of 18. I have also taught music theory and fundamentals of music from beginner to Advanced Placement level.

Outside of my teaching, I am a multifaceted instrumentalist and vocalist, performing in multiple professional music ensembles in the greater Boston and New England areas. My professional performance background has aided me in the classroom countless times, whether I am in an ensemble or general music setting. As a member of a performing ensemble, I am always a team player and know when to be a leader.

I would enjoy speaking with you about the opportunity of working in the Department of Fine Arts. Should you wish to contact me, I can be reached by phone at (508) 762-7749 or via email at crobbins612@gmail.com. I thank you for your time and consideration.

Most respectfully,

Craig A. Robbins

Education

Berklee College of Music
Boston, Massachusetts
Bachelor of Music
Major: Music Education
GPA: 3.770
Credit Hours: 131
Attended August 2012 to December 2015
Degree conferred December 2015

Experience

Framingham Public Schools
Substitute Teacher
Framingham, MA
In my position as a substitute teacher, I have had the opportunity and experience of working with a large amount of students (K-12) from vastly diverse racial and socioeconomic standpoints.

Working with students in numerous positions such as a music specialist, SPED ED assistant, math teacher, and Paraprofessional just to name a few, has broadened my understanding of teaching, not just music in my case. I've worked to be an effective teacher in the classroom with students while at times never having seen or met them before.

I have enjoyed seeing students grow and build on material while being under my supervision. This position has greatly aided me in my teacher growth and persona.

Supervisor: Tiago Gardens (508-626-9107)
Experience Type: Other, Part-time

Shrewsbury Public Schools
Substitute Teacher
Shrewsbury, MA
In my position as a substitute teacher in the Shrewsbury Public Schools, I have had the opportunity and experience of working with and effectively managing a large amount of students (K-12) from vastly diverse racial and socioeconomic standpoints.

Working with students in numerous educators' roles has broadened my understanding of teaching, not just music in my case. I've worked to be an effective substitute teacher in the classroom with students while at times never having seen or met them before.

I have enjoyed seeing students grow and build on material while being under my supervision. This position has greatly aided me in my teacher growth and persona.
Framingham Public Schools  
Interim Choral Director/Music Teacher  
Framingham High School  
In this multi-week "long term" position, I effectively taught, assisted in planning, and carried out classes in AP Music Theory, Musical Theater, and Piano/Keyboard class. I lead rehearsals for small and large choirs SATB, that went on to have successful performances at the 2016 MICCA Festival.

Reason for leaving: Contracted teacher returned after personal leave  
Supervisor: Donna Wresinski ((508) 782-7770)  
Experience Type: Public School, Part-time

Shrewsbury Public Schools  
Student Teacher  
Shrewsbury, MA USA  
Under Mr. Lapomardo's supervision at Shrewsbury High School, I taught and lead multiple performing ensembles and classes including Honors Women's Choir (23-female voices, grades 10-12), Freshman Choir (40-voices mixed, SATB), assisted in orchestra classes as needed, taught a Honors Wind Ensemble class of 55 students, grades 10-12, lead an 18-piece Honors Jazz Band, grades 10-12, and taught a blended Theory 1/AP Music Theory course of 14 students, grades 9-12. In this role as student teacher, I had the opportunity to see nearly 350 students on a regular basis and implement my own teaching strategies, growing tremendously in my time working with the students. I worked to effectively reach all students at varying musical abilities, while maintaining high expectations and standards.

Reason for leaving: Fulfilled practicum hours  
Supervisor: Michael Lapomardo (5088418800)  
Experience Type: Student Teaching, Full-time

Framingham Public Schools  
Student Teacher  
Framingham, MA USA  
Under the supervision of Christine Dupuis, I taught all band classes at Cameron Middle School, grades 6-8. In addition to the regular school day, I also assisted Mrs. Dupuis in running the Cameron Jazz Band and Musical Theatre Pit Orchestra, both extra curricular ensembles. In one 6-day rotation I would see 9 ensemble classes of a total of 210 middle school students in this position. I worked to effectively reach all students at varying musical abilities, while maintaining high expectations and standards.

Reason for leaving: Fulfilled practicum hours  
Supervisor: Christine Dupuis (5088792290)  
Experience Type: Student Teaching, Full-time

Berklee College of Music - Berklee Music Education Big Band  
Music Director & Conductor  
Boston, MA  
Craig Robbins
In this role, I planned and prepared all music, all players rehearsal schedules, recruited musicians, and effectively led all performances and rehearsals in their entirety of the Music Education Big Band, an 18-piece Big Band made up of primarily music education students at Berklee College of Music.

**Reason for leaving:** finished classroom curriculum requirements and moved home  
**Supervisor:** Dominick Ferrara ((617) 990-6438)  
**Experience Type:** Other, After school/Evening  
It is **OK** to contact this employer

---

**Berklee College of Music - Berklee Symphonic Winds**  
Student Conductor  
Boston, MA  
In this capacity, I led, planned, and effectively rehearsed/conducted the Berklee Symphonic Winds, a 50-piece wind ensemble, under the supervision of the ensemble's Music Director and Conductor, Dr. Dominick Ferrara.

**Reason for leaving:** End of semester  
**Supervisor:** Dominick Ferrara ((617) 990-6438)  
**Experience Type:** Other, Part-time  
It is **OK** to contact this employer

---

**Professional Freelance Musician**

I am a freelance trombonist in the greater Boston area, where I regularly perform in various musical settings and styles. I am always a team player and know when I am to be the leader and help guide the section. My performance credits include Dan Gabel and The Abletones, Fiddlehead Theater Company, Lin Biviano, Ken Hadley, Maurice Hines, John Clark, Mike Pipeman, Jeff Holmes, Dan Gabel, Ted Casher, David Jost. Performance references can be made upon request.

---

**Certified Baseball & Basketball Official**

In my various roles as a sports official, I regularly officiate basketball and baseball for the youth in the greater Worcester and Metrowest areas. In these positions, I see young men and women varying in ages from 8 to 18, working games in community, recreational, school, and highly competitive and selective leagues. My teaching persona is of great value to me on and off the court/diamond. When working with the younger instructional leagues, my ability to effectively reach and teach the games to the youth is a great asset.
