COMMUNITY FACTS

Harvard, with a population of approximately 5780, including Devens residents, is located 30 miles west of Boston in the northeastern corner of Worcester County, and encompasses an area of 26 square miles. The working adults are employed in a wide range of occupations that, for the most part, consist of managerial and professional occupations. The correspondingly high level of education attainment has resulted in a community that values education and has high academic aspirations for its children.

SCHOOL INFORMATION

The Bromfield School is a comprehensive public high school and is accredited by the New England Association of Schools and Colleges. It has an enrollment of 620 students, grade 6-12. The 2019 Senior class enrollment is 88. There are 50 teachers providing a 12:1 student/faculty ration.

CURRICULUM

An interdisciplinary academic program is prepared for each pupil in grades 9-12. High school students may elect up to 7 courses each year from 100 different offerings, and have access to Virtual High School online courses. Twenty-two credits are required for graduation from The Bromfield School. Fourteen particular courses are included in the core distribution requirements:

- 4 English credits
- 3 Social Studies credits including U.S. History
- 2 Science credits including Biology
- 2 Mathematics credits
- 2 Health/Physical Education/Wellness credits, one of which must be in PE and one in Wellness
- 1 Art credit

Academic courses are offered at Advance Placement, Honors, and College Preparatory levels. A Community Service Project of 40 hours is required for graduation. Many students begin their high school math and world language sequence in Middle School. A ninth grade transcript that has H Algebra II, Geometry and/or French or Spanish II on it indicates that the student has taken the pre-requisite course(s).
