DAILY BULLETIN

The Bromfield School bulletin is read during homeroom. Students should arrive to school on time so that they don't miss these announcements. The Bromfield Bulletin is posted daily on our website. Students are responsible for information included in the Bromfield Bulletin.

WEBSITE

The Bromfield School maintains a website at www.psharvard.org. Prior to the opening of school in September, the Superintendent's office will post information on the website that describes services, programs, and activities of the Harvard Public Schools and includes descriptions of the school lunch program, bus routes, school telephone numbers, and a school calendar.

STUDENT BULLETIN BOARD USE

Students wishing to place notices, solicitations, or any other material on any bulletin board in the school buildings must first obtain approval from the administration.

NEWSLETTER

It is our intention to post a newsletter every two months to the website.

OPEN HOUSE/PARENT TEACHER CONFERENCES

Annually in September parents are invited and encouraged to attend the Bromfield Open House. Parents will attend classes of 10 minutes duration, and will have the opportunity to hear the objectives and requirements of each course as well as to ask questions. Beginning on October 1st, parents will register electronically for parent/teacher conferences which are held in November. Parents may request conferences at any other time of the school year as well.

OUTDOOR BULLETIN BOARD

Upcoming school events are highlighted on the bulletin board on the outside wall of the Cronin Auditorium.

PRINCIPAL MEETINGS

The Bromfield School Principal holds monthly parent meetings to discuss items of general interest. Parents should contact the main office to confirm dates and location.

SCHOOL COMMITTEE MEETINGS

The School Committee meets bimonthly on Monday evenings. Check with the main office for dates and location. Harvard's cable TV channel and the Harvard Post also carry announcements of scheduled School Committee meetings. School Committee minutes are available in the main office.

SCHOOL COUNCIL MEETINGS

The Bromfield School Council meets bimonthly. In addition to the Principal, this council consists of three representatives from the faculty, four parent representatives, three community representatives, and three students. The main office will have the dates and location of school council meetings. Minutes of council meetings are available in the main office.

STUDENT DIRECTORY

Each year, the Harvard PTA publishes a directory, organized by grade, of student names. This directory is distributed to families who have joined the PTA.
