

SCHOOL COMMITTEE MEETING HIGHLIGHTS

November 14, 2022

SUPERINTENDENT REPORT:

Dr. Dwight shared her submitted report as follows:

- **Three District PD Day:** Teachers and staff from Ayer-Shirley, Littleton, and Harvard met again for an engaging day of professional development. The keynote speaker was Ken Williams, the author of *Ruthless Equity*. The day also featured workshops offered by teachers from three districts. Presenters from Harvard included: Jackie Travers, Wyatt Holt, Beth Graham, Jesse Shaw, Michelle Phillips, Tammy Route, Bryce Mattie, and Claudia Owens.
- **Community Events:** The PTO hosted a meet and greet for the TBS principals last week. The event coincided with the Coffeehouse so parents were able to attend both. The Coffeehouse gave students an opportunity to share their interests and talents with their peers and community members. They read poetry, sang, played instruments, and performed comedy skits.
- **Fall Team Successes:** Many of our teams have enjoyed winning seasons. Of note is the post-season for our girls' and boys' soccer teams. Additionally, the girls' JV soccer team had an undefeated season! The boys' and girls' cross-country teams are advancing to the State finals.
- **Technology Advisory:** The Technology Advisory met for the first time on November 10th to share district information and align on some goals and interests for future meetings. Everyone shares a desire to provide the best possible learning experience for our students and support for parents. The next meeting is set for January 12th.
