December 12, 2022
and
December 15, 2022

SUPERINTENDENT REPORT:

Dr. Dwight shared her submitted report as follows:

- **Title IX Review Update:** Dr. Dwight is working with an outside vendor to perform a review of the athletic program and will obtain a quote before moving forward.
- **MA Webinar Series:** Dr. Dwight presented as part of a panel in a webinar series which discussed the intersection of the strategic plan and diversity, equity, inclusion, and belonging. Harvard was being used as an example for other districts to follow.
- **Teacher Leadership Team Meetings:** These monthly meetings are being led by Ms. Benoit and the budget was reviewed in the most recent meeting so teachers understand the constraints. A lot of good questions came out of this meeting and a public forum will be planned for January to keep the community informed before they ultimately vote on this budget.

On December 15th, the School Committee voted to approve the FY24 budget as presented. The [preliminary FY24 budget](#) is available to view on the District website.
