

Best Practices Subcommittee Meeting Minutes
January 20, 2023 @ 1:00pm (rescheduled from Jan 14)
Zoom conference meeting

Attendance: SusanMary Redinger, Sharlene Cronin

The meeting was called to order at 1:03pm.

Cronin and Redinger discussed how to present the work done to the full committee. Members agree to create a visual mapping of the old rubric to the proposed restructure, in addition to providing two examples of how the rubric content would be rewritten for clarity. Cronin volunteered to create this document for sharing with the full committee.

Discussion then focused on delegating the remaining sections to review and rewrite. Cronin agreed to take on Budget and Student Achievement. Redinger agreed to take on School Committee Operations.

Members agreed to return to the PD work following more progress with the self-evaluation review, and when other committee commitments and work settled down.

The next subcommittee meeting will be January 31st at 9:30am.

The meeting adjourned without objection at 2:03am.
