

Best Practices Subcommittee Meeting Minutes
October 19, 2022 @ 9:15am
Zoom conference meeting

Attendance: SusanMary Redinger, Sharlene Cronin

The meeting was called to order at 9:15am.

Members directed discussion to the PD survey results, reviewing what members prioritized as key topics of interest: negotiations, using data, budget. The subcommittee discussed ideas for connecting data to student achievement beyond test scores, and discussed the use of the budget manager's municipal finance game as a potential tool for addressing budget related questions and developing greater understanding of that topic. SusanMary said she would follow up with Dr Dwight about getting more information about NEASC accreditation.

Sharlene presented one proposal for condensing the self-eval tool and SusanMary said she would spend time thinking about the proposal for the next meeting.
