

Best Practices Subcommittee Meeting Minutes
December 9, 2022 @ 10:00am
Zoom conference meeting

Attendance: SusanMary Redinger, Sharlene Cronin

The meeting was called to order at 10:00am.

Members reviewed progress on the school committee self-eval reorganization and rewrite, first focusing on how to handle the part of the rubric for hiring a superintendent. Cronin and Redinger agreed it made sense to have it re-written, and only get used as an add-in when needed. Redinger volunteered to write up the section for review in a future meeting.

Members agreed to the following division of work on the remaining sections:

Cronin would rewrite the State, Goals, and Local Government sections. Redinger would rewrite the Superintendent and Meetings sections. Following completion of those, Budget, Student Achievement and School Committee Ops would be completed.

Members then discussed efforts to identify professional development (PD) opportunities. Given ongoing work with the self-evaluation process, there was agreement to revisit PD in the next 1-2 months.

The next subcommittee meeting will be December 14th at 9:30am.

The meeting adjourned without objection at 10:49am.
